Dear Jeff:

I just wanted to thank you for your continued professionalism and service I receive from your company.

We work with many Vendors (Contractors) and from the first phone call, request for a proposal, follow up, and upon signing a contract, your staff always handles the communities like they are your own. We understand that not every project goes perfectly, but the minimum challenges we have had, M & M has been there within days to fix a problem or work with us on any questions.

We will continue to use your company for the services needed and refer you when we can. Somehow you make Paving/Sealcoating simple to understand and always make sure our community is not inconvenienced.

As always, it's a pleasure doing business with you.

Sincerely,

Pete LaCroix
